6. Subject - (Clause of the Schedule)

Question of authorizing the Inspector General of Education to transfer school-masters from Institutions maintained from Village School Fund to those maintained from State Funds and vice versa

OPINION OF THE COUNCIL

The Council is of opinion that service paid from Village School Fund cannot be considered to be foreign service as defined in Art 17 of the Service Regulations, that Art 407 on the authority of which objection is taken to the transfers in question is not therefore applicable to the case, and that there can be no objection to such transfers being made by

22
5/20/12

54 It is respectfully submitted that M/S J does ably and that Village school Funds are financially independent Govt as its accounts are not merged in the Govt Revenues and its balances are shown under a Debt head as opposed to Service Hds Upon the Service qualifying referred in that Article is Govt from Govt Revs & has nothing to do with Service qualifying under Hds under Govt Rules. If the word 'financially independent' Govt is construed absolutely then there is nothing for such Hds or M/S Hds which can claim Weightage as the rules which govern them & which they themselves formulate must be their interpreters or Sanctioning Govt Regards, SKR 5/20/12 Section Officer

NOTE—Contn sheet

(17)

in the article are those of Mr Shankaran Nair and Mr Chanstree Thompson V S P D
with the Foreign Service

55 We do not think we can recommend to delegate the powers to the V.R. although we do not object to formally delegate the powers to the V.R. although we do not think the Govt. will order us in such a case but such a thing that we can bring all cases in which we consider the powers are necessary & proper under the Act

Southern Maratha R^n Camp

Jahagir a matt, Trust or other body financially independent of the Govt of Mysore The question now at once mainly turns on what is meant by financial independence If it means 'absolute freedom to regulate finances without interference from Govt' then the village School funds (or even the Dept funds) is not independent of Govt and service paid from it will not be foreign service But if as the Govt Dept would have it 'financially independent is interpreted as meaning maintaining separate accounts as apart from Govt accounts then service paid from village School funds will be foreign Service

58 If the interpretation of the Financial Dept is accepted then the only way to get out the difficulty appears to be by making provision for delegating to such officer as the Govt may desire the power vested in Govt under Art 407 of the Service Regns to transfer an officer from qualifying service to foreign service-

NOTE—Contn sheet

59 I do not see any great force in the objections raised. If Govt can under Art 407 (without any express mention therein) delegate the authority to the I.G. of Forests, why should it not pass an order that service under the Vill Sch Fund is not foreign service? The service Regns have no higher force than such an order of Govt and it is unnecessary to have Govt by qualifying the powers reserved in art 2

60 However, so long as the powers is given to the I.G., I am ~~however~~ not particular as to the manner in which it is done.

Final Note by the First Councillor

Subject — Question of authorizing the Inspector-General of Education to transfer school-masters from institutions maintained from Village School Funds to those maintained from State Funds and vice versa—

****

68 The Inspector General of Education requests that he may be permitted generally to transfer officials from institutions maintained by State Funds to the schools maintained by Village School Fund, and Vice Versa

69 According to the interpretation of the Financial Department, the Village School Fund is "financially independent of Government" and service under the same constitutes "Foreign Service" Schoolmasters can therefore be transferred from the Village ~~Fund~~ School Fund Schools to State Fund schools or vice versa only with the sanction of Government

70 These transfers are frequently necessary to enable the Inspector General of Education to promote deserving men and to effect necessary transfers in the interests of public service There are in the Village Fund Schools 2115 teachers Lost of them draw only Rs 10 there being only 246 posts carrying a pay of more than Rs 10 a month In the State Fund schools there are 278 posts of a similar nature carrying more than Rs 10 though the total number of teachers is only 678 It will thus be seen that the chances of promotion

in the Village Fund schools are very small as compared with State Fund schools

71 To make up for this inequality it is necessary to transfer able school-masters from Village Fund schools to State Fund schools, on promotion as often as possible

72 The matter is not of sufficient importance to come up to Covernment every time and may be safely left in the hands of the Inspector General

73 The Financial Secretary is of opinion that there is no objection to formally delegate the power to the Inspector Ceneral of Education asking him to send to the Comptroller every order issued in such cases

74 This course has been approved by the Council and may be adopted

2 (30), 4(25), 15(20), 30(15), 201(12), 1877(10) or a total of 2129.

A glance at the Table shows that the chances of promotion to qualified and deserving masters will be far greater under the existing system than if the two funds were completely separated

The actual difficulties experienced have led to the general drawback as well as individual masters in peculiar circumstances of individual masters in

(1) In the case of the transfer to Kanavan from Gedde vare of Ahobala Sastri, the qualifications of the masters to supervise a garden attached to the School at Kanavan was the moving cause

(2) Domestic circumstances compelled the transfer of Gundappa from V-E School Kampapura to S 2 Lehigh School at Hyderabad

A list of deserving hands on 12 & 15 eligible for promotion is hereby taken at Londom in the Bangalore Dt & a taluq or two of Kolar. The chance of promotion as d, are few enough, but would be more if the separation took the effected

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 8904/689 *Bangalore* 13th April 1911 ~~19~~

From

~~J. WEIR Esq M A~~

The Inspector General of Education in Mysore

B A N G A L O R E

To

C S Balasundaram Iyer Esquire, B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to inform you that one M Kesava Char, Master, Village Elementary School, Nyamti, pay Rs 10/- was transferred to the Anglo-Vernacular School, Sorab, a state fund school to fill up the vacancy on Rs 10 caused by the transfer of one Santavirappa elsewhere The Comptroller takes exception to this kind of transfer of masters from schools maintained from one fund to those maintained from the other generally He bases his objection on Government Order No 4604-5/Edn 123-10 dated the 1st December 1910

2 The order relied upon by the Comptroller has reference to a different state of things and relates to the payment from village fund schools while working in a state fund school As the great number of masters in the village elementary schools naturally look for their preferment in state fund schools, and as the department has naturally to reward good work in one class of schools by promotion in another, it will involve an unnecessary large addition to the work of office to obtain Government sanction in each case This is the more so as the appointments and transfers, in respect of the great majority of cases, are in the power of the Inspecting officers

In the circumstances I request that you will be so good as to obtain early orders of Government permitting generally the transfers of officials from institutions maintained from the one fund to those maintained from the other, so long as the provision in each fund remains unaffected

I have the honour to be,

Sir,

Your most obedient servant,

S Krishnaswami Aiyangar

For Inspector General.

With Reference to your letter No 8504/1859 dt the 13th April 1911 regarding the transfer of ~~Village~~ Panchayats from ~~Village~~ Panchayat Schools to State Panchayat Schools & vice versa I am directed to state that Govt do not see any ~~financial~~ reason why there should be transfers from one fund to another when each is large enough to allow of

over

SUBJECT

transfers within our own limits.
~~Moreover the~~ In the particular
case ~~referred~~ quoted in your
letter, ~~the~~ the transfer of M Kennaughan, ~~only means~~
~~that it is said that he ultimately~~
~~looked for retirement from the~~
his
~~getting himself~~ transferred from
a post on Rs 10 ~~under the~~ in
a Village Final School to a
post on Rs 10 in a State Final
School The proposal to transfer
indiscriminately from one
kind to another would also
cause some difficulty in
safeguarding pensionary claims
Under these circumstances I am
to enquire whether ~~you have~~
there are any further reasons against
~~your~~ directing that such
transfers should not be made.

Yours faithfully

24 6 11

The Director of Public Instruction,
Madras.

Office of the Inspector General of Education
in Mysore, Bangalore 6th July 1911

Dear Sir,

With reference to the enquiry in the last para of your letter No 61/Edn dated 5th July 1911, I have to advance the following reasons --

The total number of Masters in the Village Fund schools is 2,115 whose salaries range between 10 and 30 Among these there are 2 masters on Rs 30, 4 ~~on~~ on Rs 25 15 on Rs 20, 29 on Rs 15, 196 on Rs 12, 1,869 on Rs 10

There are in all 678 masters of the same grade in State Fund schools of whom a little over 400 are masters on Rs 10 So that it is clear that the Masters in State Fund schools, provided they have qualifications, have a readier chance of gaining promotions even up to Rs 50/- for good work, than those in Village Fund schools

It very often happens that Matriculates and Pandits gain entry into service in Village Fund schools where

chances

chances of promotion are fewer and where the utmost salary attainable does not rise so high, to seek advancement by good work in State Fund schools It would be a pity to deprive the Village Fund schools of the chance of getting good masters by shutting these latter out of legitimate advancement in State Fund schools on the score of the mere inconvenience caused by the necessity of proportionate allotment of pensions Article 267 of the Mysore Service Regulations seems to be intended to permit of such transfers

As to the particular case in point the transfer was effected in the usual course and it happened to be the case that was objected to Such transfers are sometimes made in the interests of the schools or of the masters concerned

Yours sincerely,

Inspector General

To,

B Ramaswamaiya, Esq , B A , B L ,

Under Secretary to Government of Mysore

SIR

In continuation of this office letter No 8904/689 of the 13th April 1911 regarding transfers of masters from village Fund Schools to the State Fund Schools and vice versa, I have the honour to state that as was pointed out in the communication under reference, these transfers are absolutely necessary to secure the proper working of the Department and serve the needs of the different places adequately Leave allowances, if any, may be paid according to the actual situation of parties at the time In regard to pensions, however, I beg to suggest, that as the State makes large grants to Village School Funds and as the burden of pensions is likely to be comparatively unim-

GPB—1500—9 6-09

portant

unimportant in amount, these may be met from the State Funds without any contribution from the Village School Funds

If this suggestion be adopted it will obviate the only valid objection to the transfers which are necessary alike in the interests of departmental efficiency and the prospects of the low paid but hardworked School Masters

I have the honour to be,

S i r,

Your most obedient servant,

S Krishnaswamy Ayyangar,

For Inspector General

---

In reply to your letter No 6680/1079, dated 19th February 1912, I have the honour to inform you that it is not the practice in this Presidency to transfer masters and Mistresses employed in Government Primary and Secondary Schools to those maintained by District Boards and Municipalities and vice versa except in cases where a whole Government School is transferred to a local board or a municipal council or where a board or a municipal council school is taken over under departmental management In the one case the Government servants transferred to board or municipal service carry their leave and pensionary privileges along with them, and in the other case such teachers only as were on the pensionable establishments of board schools carry their pensionary rights along with them to the Government establishments while the rest count their board service for purposes of leave only In both cases the cost of pension and leave is recovered from the various bodies concerned according to the Rule of Proportion When, however, teachers employed in Board and Municipal Schools are taken into Government service they are allowed to count

service for purposes of leave andpension only from the date they are appointed permanently under Government unless their previous service counted for pension under the Board In special cases teachers employed in Government institutions are lent with the previous sanction of the Local Government under the Foreign Service Rules contained in the Civil Service Regulations to Local Boards and Municipalities who then pay the necessary contribution towards the cost of their leave allowances and pension

The transfers of teachers from schools maintained from the Village School fund to schools maintained from State funds, and vice versa, is often found necessary to afford for the promotion of deserving men and to effect suitable arrangements in the interests of public service. The Compln to Govt is reported to have taken objection to such transfers effected by the D I of Edn without the sanction of Govt on the ground that they involve payment from Local Funds also over which the D I has no control and questions of contributions for pension also arise. The Govt consider that the transfer of these petty schoolmasters is not of sufficient importance to require their sanction, in each individual case, and they are accordingly pleased to delegate to the D I of Education
